Jewel Bauer has always been the underdog in whatever situation she lands in, and unfortunately her ‘act now, think later’ approach to life – or, as she puts it, “being the biggest numpty this side of

planet Spackbrain” – doesn’t help her chances of beating the odds. Moving to a small town to kick start her life, she finally finds a place, a family to belong to. The group of fellow oddballs who welcome her into their fold, seem to understand her – the tall, broad-shouldered, quiet one a little more so than the rest. When a failed politician with questionable ethics and an even more questionable agenda seeks to establish power in her new community, Jewel knows she must stop him, even if the only political experience she has is insulting mayors. What’s the logical solution? Mount an opposing political campaign with her small family of social misfits, of course. Jewel and her friends quickly find themselves out of their depth fighting a political veteran who knows all the tricks to win voters over, and the resulting comedy of errors threatens to break the group apart. But Jewel’s not afraid of casting a stone at the giant – or several – to see which will fell him. The question is: How devious and dangerous a stone does she need? And will it ruin her first shot at love? *Odd Girl Roar* is the final of four stand-alone novels in the award-winning *Good Life* series. Told in vivid detail, this true crime story will captivate the reader from start to finish. She has nothing and feels like her life has no value. He has a reliable well-paying job that keeps his bank account full, yet his yearning heart is empty. Both have hidden their true selves away. But if your secret self is hidden, how can the right person ever find and fall in love with the real you? Two lost and lonely souls arrange to meet at a pay-by-the-hour motel. The Right Wish by New York Times bestselling author Michelle Mankin is a modern-day retelling of Snow White. Dress up. What once was lost is found. Hope in

the most unlikely of places. Kindness over evil. Do you believe? In fairy tales? In happily ever after? In love? We live at a time when societies are riven with division and strife. What hope is there for us to heal? Healing Social Divisions provides a radically new, non-ideological and effective consciousness-based approach for transforming our societies. Peer-reviewed research provides evidence that it is possible to neutralise stress in the collective consciousness of a society. This then promotes life, liberty, happiness, heals social divisions and creates the platform for good governance. The research challenges the conventional wisdom that consciousness is only a by-product of brain functioning. Along the route it examines our self-concept, freeing us from the biases of reductionism that impede the development of morality in our public life. To be a normal teenage girl. To forget about the past. To fall in love for the first time. Is that too much to ask? Sixteen-year-old Allie Bailey just wants a break—a break from her overly-protected life. And Dragonfly Meadows summer camp is the answer. A summer away from her parents in the California Sierras with her best friend is exactly what she needs. But once at camp, Allie notices that things are a little off. Paid excursions are cancelled and staff is replaced with shady new people. When the camp's founder goes "missing," Allie starts to worry. Unable to let it rest due to her past, she starts to investigate, enlisting the help of Logan Montgomery, her best friend's

older and adorably geeky brother. When hauntingly familiar flowers appear in Allie's cabin, she's not sure what to think—has her past caught up to her? Yet, after Allie stumbles across a murder conspiracy and chases down the truth, she becomes a target. Pushing through her paranoia and fear to find strength, it's up to Allie to save herself and the campers from a deranged killer before it's too late. Join Geneva George on the journey of a lifetime. Denn Jen Sincero wird Sie packen und von der Couch ziehen, damit Sie endlich das Leben leben, auf das Sie selbst neidisch wären. Aber Vorsicht: Nach diesem Buch ist das Leben definitiv anders! Jen Sinceros eigenes Leben war lange Zeit alles andere als berauschend: Sie hangelte sich von einem schlechten Job zum nächsten, hatte nie genug Geld und fuhr ein Auto, das fast auseinanderfiel. Bis sie entschied, dass sie etwas ändern muss. Sie las gefühlt jedes Selbsthilfebuch auf dieser Welt und ging zu Seminaren, bei denen man Leute umarmen oder seine Wut an einem Kissen auslassen musste. Und – es half. Jen Sincero schrieb ihr erstes Buch und schließlich noch ein zweites, das zu einem Bestseller wurde. Sie arbeitete als Coach, gab Seminare, reiste um die Welt und sprach vor großem Publikum. Sie erreichte genau das, wovon sie immer geträumt hatte. Jetzt gibt Jen Sincero ihre Erkenntnisse und ihr Wissen weiter und zeigt, wie man die Fähigkeiten, die in einem schlummern, endlich zum Blühen bringt. Es geht darum, sich glasklar darüber zu werden, was einen glücklich macht und wobei man sich am lebendigsten fühlt, und es dann mutig umzusetzen, statt sich

einzureden, man könnte es nicht schaffen. Mit viel Humor und Schlagfertigkeit gibt sie praktische Ratschläge und zeigt Übungen, die dabei helfen die Selbstsabotage zu beenden und das zu erreichen, wovon man träumt. - Everything readers need to know to start up and operate a wildly popular mobile food business - Includes crucial marketing expertise from a successful food truck entrepreneur Unleash Your Badass Business is an intensive Workbook for entrepreneurs who are ready to massively expand their online empires. quirky, creepy debut Violet doesn't remember much about her late mother, but she is certain of one thing: she too can see ghosts and communicate with the dead. But when Violet discovers paranormal activity in the girls' locker room, she finds herself ill-equipped for handling the school's ghostly echoes. Through Violet's own investigation and with the help of some unlikely allies, Violet discovers there is a lot she doesn't know about her special skill--and more still that can stand in the way of its power. With sharp wit and determination, Violet sets out to uncover the truth behind her school's haunting, to finish the investigation that led to her mother's sudden death, and to learn why the only ghost she has ever wanted to see is the one that has eluded her forever.
