Funnily enough, most moms agree—they have no idea how they get it done, or whether they even want the job. Trisha Ashworth and Amy Nobile spoke to mothers of every stripe—working, stay-at-home, part-time—and found a surprisingly similar trend in their interviews. All I can say is it was completely gone. If something happened the night before or during a weekend, I simply did not know. I felt a sense of sadness inside or maybe a knowledge I was different. But I had no explanation for this foreboding feeling. As I grew closer to eight years old, I became aware of the fact that I had no parent, mother or father. I did not mourn it though. It didn't even seem important to me. I lived in a strange place. I did not know anything. I believe to keep the memories down until I could handle them. After my mother died, it was time. She was gone. My world changed. Something about her being dead opened a tremendous fear. A fear I had to deal with, or it would end me. Thank God I Was a Country Boy is a praise to the Lord. He set me free. Without Him, I am nothing. I have written these lines to ultimately say I was a normal child. I was capable of being swayed to sin. I was also taught the proper life to live.
